The Town and the bargaining unit members also wish to acknowledge their commitment to continue to work cooperatively to achieve this common goal and to maintain a supportive and rewarding work environment.

ARTICLE 1 RECOGNITION

Section 1.1 The Employer hereby recognizes the Union as the sole and exclusive representative for the purpose of collective bargaining in respect to rates of pay, hours of employment, and all other terms and conditions of employment of all full-time employees within the Town's Highway Department, including Laborer, Laborer with CDL, Maintenance Mechanic II, Motor Equipment Operator, Senior Motor Equipment Operator, Automotive Mechanic, Head Automotive Mechanic, Working Foreman, and Construction Equipment Operator.

Section 2.2 Except as expressly modified or restricted by a specific provision of this Agreement, the Town hereby retains and reserves all rights, powers, duties, authority and responsibility, conferred upon and invested in it by the laws and Constitution of the State of New York and all inherent managerial rights, prerogatives, and functions are retained and vested exclusively in the Town, including, but not limited to, the rights, in accordance with its sole and exclusive judgment and discretion: to reprimand, suspend, discharge, or otherwise discipline employees for cause; to determine the number of employees to be employed; to hire employees, determine their qualifications and assign and direct their work; to promote, demote, transfer, lay off, recall to work, and terminate employees; to set the standards of productivity, the services to be rendered; to maintain the efficiency of operations; to determine the personnel, methods, means, and facilities by which operations are conducted; to set the starting and quitting time and the number of hours and shifts to be worked; to use independent contractors to perform work or services; to subcontract, contract out, close down, or relocate the Town's operations or any part thereof; to expand, reduce, alter, combine, transfer, assign, or cease any job, department, operations, or service; to control and regulate the use of machinery, facilities, equipment, and other property of the Town; to introduce new or improved service, distribution, and maintenance

The Town's failure to exercise any right, prerogative, or function hereby reserved to it, or the Town's exercise of any such right, prerogative, or function in a particular way, shall not be considered a waiver of the Town's right to exercise such right, prerogative, or function or preclude it from exercising the same in some other way not in conflict with the express provisions of this Agreement.

Section 2.3 Unless it is mutually agreed otherwise, it is acknowledged that during negotiations which resulted in this agreement the Union had the unlimited right and opportunity to make demands and proposals with respect to all proper subjects of collective bargaining. Therefore, for the life of this agreement, the Union agrees that the Town shall not be obligated to bargain collectively with respect to any subject or matter not specifically referred to or covered in this agreement.

ARTICLE 3 UNION RIGHTS & DUES DEDUCTION

Section 3.1 Union Security. All present employees who are members of the Union on the effective date of this sub-section or on the date of execution of this Agreement, whichever is the later, shall remain members of the Union as a condition of employment. Union membership, for purposes of this Agreement, is required only to the extent that – employees must pay either (i) the Union's initiation fees and periodic dues, or (ii) service fees, which in the case of a regular service fee payer, shall be equal to the Union's initiation fees and periodic dues and in the case of an objecting service fee payer, shall be the proportion of the initiation fees and dues corresponding to the portion of the Union's total expenditures that support representational activities. All present employees who are not members of the Union and all employees who are hired thereafter, shall become and remain members in good standing of the Local Union as a condition of employment on and after the thirty-first (31st) calendar day following the beginning of their employment or on and after the thirty-first (31st) calendar day following the effective date of this sub-section or the date of this Agreement, whichever is the later.

Section 3.2 Dues Deduction. Upon receipt from an employee of a valid, signed authorization form, the Town shall deduct from the wages due such employee each pay period and remit to the Union the regular monthly dues as fixed by the Union. The Town shall deduct only that amount of money which the Union has certified to the Town, in writing, as the amount of dues established by the Union and required of all employees as a condition of acquiring and obtaining membership in the Union. The Union shall give the Town at least thirty (30) days notice of any change in the amount of dues to be deducted.

Section 3.3 Direct Deposit. The Town, at the request of a unit member by written authorization from the unit member and the BTA Credit Union, agrees to deposit deductions from the unit member's pay to his or her account with the BTA Credit Union. The unit member may cancel these payroll deductions or modify them on a quarterly basis by providing written notice to the Town of such cancellation or modification. The Town shall not be obligated under this provision unless and until such technology and/or systems are in place and functional.

Section 3.4 Indemnification. It is agreed the Town assumes no obligation, financial or otherwise, arising out of the provisions of this Article. The Union shall indemnify and hold

the Town harmless from any and all claims, demands, actions, proceedings, or other liability arising out of or in connection with this Article, or the application or enforcement thereof. The Union agrees that once funds are remitted to it, or to any payee designated by it, the disposition of said funds thereafter shall be the sole and exclusive obligation and responsibility of the Union.

Section 3.5 Facilities Use. The Union shall provide a locked, enclosed bulletin board to the Town for the purpose of posting notices, with a key to be given to the Union Steward. No such notice shall be inflammatory or directed against the Town or its Representatives. Such notices shall be limited to official Union business. The Town shall place the bulletin board where it is easily accessible and in a viewable area for all unit members. A Union representative shall be permitted reasonable visits to the Highway Department's facilities. If such visits are made at the end of the workday, they will be for periods of no more than 15 minutes. Arrangements for such visits will be made with at least 24 hours notice to the Highway Superintendent unless otherwise agreed to by the parties or a bona fide emergency exists. Such visit will not interrupt or interfere with employees' work time or normal Town operations.

Section 3.6 Access to Information. The Town and the Union shall each comply with all reasonable requests by the other for information, statistics and records which may be necessary to the planning of the Union programs and policies and the processing of grievances and negotiations. A Union representative shall have the right to participate in all steps of the grievance process.

DRIVE shall notify the Employer of the amounts designated by each contributing employee that are to be deducted from his or her paycheck on a weekly basis for all weeks worked. The phrase "weeks worked" excludes any week other than a week in which the employee earned a wage. The Employer shall contribute to DRIVE National Headquarters on a monthly basis, in one (1) check, the total amount deducted along with the name of each employee on whose behalf the deduction is made, the employee's social security number and the amount deducted from the employee's paycheck.

ARTICLE 4 UNION STEWARDS

Section 4.1 The Town recognizes the right of the Union to designate a Union Steward, and Alternate Steward who shall serve in the absence of the Steward.

Section 4.2 Union Stewards and alternates have no authority to take strike action, or any other action interrupting the Town's business.

Section 4.3 The Steward shall be permitted a reasonable amount of time to meet with the Highway Superintendent to present and discuss grievances during regular business hours without loss of pay. Such meetings shall not interfere or interrupt the Town's operations and shall occur at the beginning or end of the Steward's shift unless there is a bona fide need to meet at other times. In the event that a bargaining unit member requests Union representation during a meeting which could lead to potential discipline, the Town will permit a Steward to represent that unit member during regular business hours without loss of pay. In no event shall the Steward be paid beyond his or her regular shift because such meetings extend beyond his or her regular shift.

ARTICLE 5 NONDISCRIMINATION

Section 5.1 The Town and the Union agree not to discriminate against any individual because of such individual's race, color, religion, sex, national origin, age, disability, veteran's status, sexual orientation, or membership in the Union. Nor will the Town limit or segregate or classify employees in any way to deprive any individual employee of employment opportunities or equal terms and conditions of employment because of race, color, religion, sex, national origin, age, disability, sexual orientation, veterans status, or membership in the Union or other protected status.

ARTICLE 6 GRIEVANCE PROCEDURE

Section 6.1 Definition. A "grievance" is defined as a dispute between the parties regarding the interpretation or application of the terms and conditions of this Agreement. A grievance shall be in writing and shall contain a statement describing the acts constituting the grievance; the date, time and place of occurrence; the section or sections of the Agreement allegedly violated; and the relief requested.

Section 6.2 Grievance Procedure.

STEP 1. An alleged grievance will not be entertained, and shall be deemed waived, unless presented in writing to the Highway Superintendent (hereinafter "the Superintendent"), or the Roads Foreman in the absence of the Highway Superintendent, within ten (10) working days after the act or condition constituting the grievance, or within ten (10) working days after the date that the aggrieved employee should reasonably have known of the act or conditions constituting the grievance. The Superintendent shall respond to the grievance within ten (10) working days following its receipt. Failure of the Superintendent to so respond shall entitle the Union to proceed to STEP 2, below. Notice of intent to continue the grievance to STEP 2 must be given to the Superintendent in writing within ten (10) working days of delivery of the Superintendent's response to the Union, the Union steward, or the aggrieved employee(s).

STEP 2. If the grievance is not resolved at STEP 1, the Union may request in writing a meeting with the Town Supervisor, which may include a representative from the Union and the Superintendent. The meeting shall be held as soon as possible and, shall be scheduled within ten (10) working days following receipt of the request. The Town will give its written response to the grievance within ten (10) working days following the meeting. Failure of the Town to so respond shall entitle the Union to proceed to STEP 3, below. Notice of intent to proceed to STEP 3 must be given to the Town Supervisor in writing within ten (10) working days of delivery of the Town's response to the Union, the Union steward, or the aggrieved employee(s).

STEP 3. If the grievance is not resolved at STEP 2, a STEP 3 appeal may be filed in writing to the Town Board. The official grievance record maintained by the Town Supervisor shall be available for use by the Town Board. At the next regularly scheduled meeting following timely receipt of an appeal, the Town Board shall hold a hearing on the grievance. The hearing shall be conducted in a closed session. By no later than the next regularly scheduled meeting

following the conclusion of the hearing, for all grievances other than those involving discharge or suspension without pay, the Town Board shall render a final and binding decision on the grievance, which decision shall be reduced to writing. Such decision shall be promptly transmitted to the grievant, the Union, and the Superintendent. The Town and Union may agree in writing to skip STEP 3 and proceed directly to STEP 4 for grievances involving discharge or suspension without pay.

STEP 4. For grievances involving discharge or suspensions without pay, if the grievance is not resolved at STEP 3, the Union may submit the grievance to STEP 4 arbitration within ten (10) working days of receipt of the STEP 3 decision. If the Union fails to submit the grievance to arbitration within such period, the grievance shall be deemed resolved on the basis of the STEP 3 response. The Union shall request that the Public Employment Relations Board submit the names of seven (7) suggested arbitrators. Each party shall have the option within ten (10) working days of receipt of the names to request a new panel from the Public Employment Relations Board. Upon expiration or waiver of the ten (10) day period, each party shall alternately strike a name until one name remains, and the remaining individual shall serve as the arbitrator. The Union and the Town shall alternate which party shall strike the first name and the Union shall strike first at the first arbitration.

Section 6.3 Arbitrator's Jurisdiction. The jurisdiction and authority of the arbitrator and his opinion and award shall be confined exclusively to the interpretation and/or application of the express provision(s) of this Agreement at issue between the Town and the Union. The arbitrator shall have no power to add to, subtract from, modify or delete any provision of this Agreement; to impose on either party a limitation or obligation not explicitly provided for in this Agreement; or to establish or alter any wage rate or wage structure. The arbitrator shall not hear or decide more than one (1) grievance without the mutual consent of the Town and the Union. Each of the time limits set forth herein shall be strictly observed unless extended in writing by mutual agreement of the parties. The decision of the arbitrator shall be final and binding.

Section 6.4 Cost of Arbitration. The costs of arbitration, including the expense of the arbitrator and the transcript of the testimony, if the parties mutually agree upon having the testimony of the hearing transcribed, shall be shared equally by the parties.

ARTICLE 7 DISCIPLINE

Section 7.1 The Union hereby agrees that the procedures provided in Article 6 above shall satisfy the requirements of due process and shall be used in lieu of Section 75 of the New York State Civil Service Law.

Section 7.2 Reasons for Discipline. The town agrees to post a copy of the rules and regulations governing the employees and also to furnish a copy to the Union. The town shall not discharge or suspend without just cause any employee who has completed his or her probationary period. The Town shall give at least one (1) warning notice of the complaint against such employee to the employee, in writing, and a copy of the same to the Union and the job steward prior to termination.

Section 7.3 Warning letters shall remain on file for the purposes of progressive discipline for eighteen (18) months.

Section 7.4 Offenses Allowing for Immediate Termination. No warning notice need be given to an employee before he/she is discharged if the cause of discharge is breaking a work rule where the disciplinary action for the first offence is immediate dismissal. Offenses allowing for immediate termination include:

The Town shall use progressive discipline, which may include any of the following depending on the severity of the problem: verbal warning, written warning, suspension without pay, and termination.

Section 7.6 Accidents Resulting in Damage to Property. Unit members who are responsible for damage to Town or resident property (real or personal) shall be placed on an unpaid leave of absence of one day for every \$2,500.00 of property damage. If a unit member is able to establish that the accident and resulting property damage was unavoidable, no leave of absence shall be imposed or, if the unit member had already been placed on an unpaid leave of absence, s/he shall be paid for such time. Any unpaid leave of absence under this Section 7.6 does not preclude and is in addition to any discipline that the Town may impose.

ARTICLE 8 SENIORITY

Section 8.1 Probationary Period. Every new employee, including a rehired employee, shall be considered a probationary employee until he or she has completed twelve (12) months of actual work. During or at the end of an employee's probationary period, the Town may discharge or otherwise discipline such employee, and such discharge or discipline shall not be subject to the grievance procedures set forth in Article 6 of this Agreement.

An employee selected for lay off may bump an employee with less total seniority within the Highway Department in any lower position in the line of progression, provided that the more senior employee is qualified and able to perform the duties of the lower position. (Two lines of progression shall exist for the Highway Department: Line 1 - Laborer, Laborer with CDL, Motor Equipment Operator, Senior Motor Equipment Operator, Construction Equipment

ARTICLE 13 JOB POSTING AND PROMOTION

Section 13.1 The Town agrees to internally post available positions within the bargaining unit for a minimum of five (5) work days prior to posting the vacancy outside of the Town and to post any vacancy for at least ten (10) work days prior to the filling of such position, unless an emergency requires a lesser period of time, in which case, the lesser periods of time will be included in the notice. To be eligible to bid, an employee must be qualified for the position bid for and be able to perform the essential job functions of the position on the date the position is to be filled. Bids received by the Town by the close of the bidding cycle will be accepted as timely. All qualified employees submitting timely bids will be considered for the available positions. Untimely bids will not be considered. The Town will endeavor to post a vacancy as soon as it becomes aware of it. Bids that are not filled from current employees shall be advertised on the open job market.

Section 13.2 Employees awarded a bid shall be subject to a probationary period of ninety (90) calendar days. During or at the end of this period, the employee may voluntarily resign from the position or be removed from the bid job for any reason. In such a case, the job shall be re-posted and the employee shall be returned to his or her original position. Where an employee is awarded a promotional transfer within the bargaining unit, he or she shall receive any applicable increase in wages effective at the end of the probationary period.

ARTICLE 14 HOURS OF WORK

Section 14.1 Work Day. With the exception of the Snow and Ice Season, the normal work week shall be Monday – Friday, five days per week, eight (8) hours per day, forty (40) hours per week. Alternative schedules outside of the Snow and Ice Season shall be mutually agreed to between the Union and Town prior to posting.

Section 14.2 Overtime. Unit members shall be paid at time and one half for all hours worked over eight (8) hours in one day when scheduled to work five (5) eight (8) hour days per week, or over ten (10) hours in one day when scheduled to work four (4) ten (10) hour days per week, or over forty (40) hours in one week. Paid holidays, sick time, vacations, and compensatory time, though not actually worked, shall count in the calculation of overtime. Highway employees will be paid overtime on all non-scheduled work hours. When an employee is next on the call in list for overtime and is already working a regular shift and thus not available, his name will remain on the list to be considered for the next over time opportunity.

Section 14.3 Call-In Pay. The nature of the work in the Highway Department requires unit members to be available to work outside of their regularly scheduled shift. All unit members must be willing to work on an on-call basis. Employees are expected to arrive at work within one hour of receiving a request. Call-in pay provides a guaranteed minimum number of hours for employees who are called to work outside of their normal schedule. Employees who are called in shall be paid for a minimum of four (4) hours work, if called in for ice and snow removal, or three (3) hours work if called in for any other type of work. The Town reserves the right to assign other duties to employees if the work for which they are called is completed within the minimum pay requirements. Other duties shall not be assigned for disciplinary purposes. Employees who work more than the minimum number of hours shall be paid for actual hours worked.

Section 14.4 Compensatory Time. Unit members who work approved overtime have the option to receive cash payment for the overtime or to choose to bank overtime as compensatory time. All overtime hours shall be banked at a rate of 1 ½ times the number of hours worked over forty in a work week. Unit members must advise the Superintendent no later than 7:30 a.m. on the Monday following the week for which the unit member wishes to bank time. Employees may "split" time earned on a workday between compensatory time and cash payment when the employee has worked six and one half (6 ½) continuous hours of overtime. This time must be split in no less than thirty (30) minute increments.

Unit members may have a maximum of 80 total hours of compensatory time (which is equivalent to 53 1/3 hours of overtime) in their bank at any given time and may use no more than 120 hours of compensatory time in any calendar year. Employees may carry over compensatory time to a subsequent calendar year. All compensatory time shall be based upon the unit member's hourly rate at the time accrued, and shall be proportionately reduced for any pay increases received by the unit member after time is accrued.

Compensatory time must be requested pursuant to the procedures in effect for the use of vacation time and must be used for a minimum of two (2) hours with one (1) hour increments thereafter.

Section 14.5 Snow and Ice Schedule.

The Head Automotive Mechanic will be scheduled to work Monday through Friday A-Shift only, but will be allowed to select overtime and salt shifts according to procedure.

It is recognized that the needs of the Highway Department vary greatly in the Snow and Ice Season and the Town may need to utilize employees on night shifts or weekend shifts. The beginning and end of the Snow and Ice season shall be determined at the discretion of the Highway Superintendent based upon weather conditions and the requirements of the Town. The Town shall notify the Union at least two (2) weeks prior to establishing the Snow and Ice Schedule and shall advise employees no later than Thursday of the week prior to the week in which the schedule shall begin. The Town shall not be required to begin or continue the Snow and Ice Schedule if not required by weather conditions.

During the Snow and Ice Season, the following Regular Shift may be scheduled:

Shift	Days of Week	Hours
Sunday A shift	Sunday – Thursday	7:00 a.m. – 3:30 p.m.
Saturday A shift	Tuesday – Saturday	7:00 a.m. – 3:30 p.m.
A Shift	Monday – Friday	7:00 a.m. – 3:30 p.m.
B shift	Monday – Friday	2:00 p.m. – 10:30 p.m.
C shift	Monday – Friday	10:30 p.m. – 7:00 a.m.

Regular Shifts shall be worked for a full pay period. In addition to the above Regular Shifts, there may be approximately 100 Overtime Shifts to cover individual shifts during weekend evening and overnight hours and holiday hours.

The number and type of positions needed during each Regular Shift shall be determined by the Highway Superintendent no later than the first Monday of October of each year and a schedule of available shifts per pay period shall be posted. Employees shall be placed in one of two Groups: the Lead Group (which includes Working Foremen, Construction Equipment Operators, and Senior Motor Equipment Operators); and the Operator Group (which includes Automotive Mechanic, Motor Equipment Operators, Maintenance Mechanic II, and Laborers with CDL).

Lead Group employees will each select one (1) pay period of B-Shift, in the order of departmental seniority. Lead Group employees will then have the right to refuse remaining Lead Group B-Shift pay periods. Any Lead Group B-Shifts remaining shall be assigned by the Highway Superintendent in reverse order of Highway Department seniority within the Lead Group.

All employees shall choose their Regular Shifts on the basis of Highway Department seniority. During each of the first five rounds, the most senior employee shall choose an available Regular Shift for two pay periods on the Snow and Ice Schedule, after which the next senior employee shall select an available Regular Shift for two pay periods, and so on until all employees have selected ten Regular Shifts covering five pay periods. During the sixth round, this process shall be repeated except that each employee shall select one Regular Shift for one pay period. Any Regular Shifts remaining after all employees have completed the selection process shall be assigned by the Superintendent in reverse order of seniority within the Highway Department.

Following the selection of Regular Shifts, the Superintendent shall post Overtime Shifts. Overtime Shifts shall be selected in three rounds on the basis of total Highway Department seniority. During each of the three rounds, the most senior employee in the Highway Department may select two Overtime Shifts, after which the next senior employee in the Highway Department may select two Overtime Shifts, and so on until all employees within the Highway Department have had the opportunity to select six Overtime Shifts or no Overtime Shifts remain in fewer than six rounds. Employees are not required to select any Overtime Shifts in any round. However, if any Overtime Shifts remain following the sixth round, the Superintendent shall ask for volunteers within the bargaining unit to take remaining Overtime

Shifts. If an insufficient number of volunteers sign up for available Overtime Shifts, the Superintendent shall assign such shifts in reverse order of seniority.

Following the selection of Overtime Shifts, the Superintendent shall post Salting Shifts. Salting shifts shall be one week each. Salting Shifts shall be selected on the basis of total Highway Department seniority. During each of the rounds, the most senior employee in the Highway Department may select two (2) Salting Shifts, after which the next senior employee in the Highway Department may select two (2) Salting Shifts, and so on until all the employees within the Highway Department have had the opportunity to select twelve Salting Shifts or no Salting Shifts remain. Employees are not required to select any Salting Shifts in any round. However, if any Salting Shifts remain following, the Superintendent shall ask for volunteers within the bargaining unit to take remaining Salting Shifts. If an insufficient number of volunteers sign up for available Salting Shifts, the Superintendent shall assign such shifts in reverse order of seniority. Salting Shifts will be based on a seven day work week.

The Union and the Town agree that it may be necessary for the Highway Superintendent to alter the Snow and Ice Schedule created by the procedure set forth above or assign shifts based upon reasons other than seniority due to scheduling conflicts and safety.

Employees may be allowed to trade a regular shift on an entire pay period for entire pay period basis and/or a scheduled OT shift for a scheduled OT shift and/or a salt shift for a salt shift, all with the approval of the Highway Superintendent or the Roads Foreman. This request for trading must be in writing and submitted for approval as soon as the employee is aware of the need with a minimum of one week's notice.

Section 14.6 During the winter months, employees will be given one (1) hour's notice to report to work off their normally scheduled start time. This applies to all employees equally. The dispatcher will call employees as they are listed on the call in list. Employees who arrive late for an early call in due to severe weather may be disciplined for tardiness at the discretion of the Highway Superintendent or Roads Foreman.

ARTICLE 15 CLOTHING ALLOWANCE AND SAFETY EQUIPMENT

Section 15.1 Clothing Allowance The Town shall continue to provide uniform service for the Automotive Mechanics. All other members shall receive \$300.00 for the purchase of work clothes. This clothing allowance will be paid in the second paycheck of May each year. Work clothes must be kept in good repair by the members.

Section 15.2 Safety Attire. The Town shall provide employees with safety jackets, safety vests, hard hats, rain suits, and safety glasses. Each employee shall be issued one of each of these items when required for the performance of his or her duties. Safety gear must be worn when required by Town work rules or by law.

Upon submission of receipt of purchase, the Town shall reimburse each unit member up to \$175.00 per year for the purchase of safety shoes, which must be worn at all times while working. Safety shoes must be purchased and the paperwork submitted for reimbursement prior to December 1st. If required paperwork is not submitted before this deadline, reimbursement for that calendar year will be denied. Reimbursement shall be paid no later than the next available accounts processing period after submission of proof of purchase to the Town.

The Town will contract with an eye care provider of their choice for the purpose of supplying prescription safety glasses to eligible employees. The choice of eye glass frames and covered cost for lenses will be determined by the Town. The purchase of prescription safety glasses must be approved in advance by the Highway Superintendent. The replacement of prescription safety glasses will be on an as needed basis as determined by the Highway Superintendent, or Roads Foreman in the absence of the Highway Superintendent, and must be approved in advance of purchase.

Section 15.3 Return of Town Property. Upon termination of employment, unit members must return all property in their possession belonging to the Town, including but not limited to any uniforms or safety attire. Employees shall be responsible to reimburse the Town for any lost or stolen items.

ARTICLE 16 CELL PHONE USAGE

Personal cell phone use shall not be permitted while operating any Highway Equipment or while driving. All Highway employees are expected to adhere to State and Federal laws concerning the use of cell phones while operating a motor vehicle.

While the Town recognizes that personal issues may arise during the course of the work day, cell phone use for personal reasons should be restricted to break time or lunch time whenever possible. Excessive use of personal cell phones while on duty may result in discipline.

ARTICLE 17 SEPARABILITY

It is understood that the provisions of this Agreement are subject to all applicable laws now or hereafter in effect, and to the lawful regulations, rulings and orders of regulatory commissions or agencies having jurisdiction. If any provision of this Agreement is found to be in contravention of such laws, such provision of this Agreement shall be invalid and superseded by the applicable law. All other provisions of this Agreement shall continue in full force and effect and shall not be impaired or affected by such invalidity.

ARTICLE 18

This Agreement shall be effective as of the 1st day of JANUARY 2018, and shall remain in full force and effect through the 31st day of DECEMBER 2021, and shall be automatically renewed from year to year thereafter unless either party shall notify the other in writing no later than sixty (60) days prior to the expiration hereof that it desires to modify or terminate this Agreement. In the event such notice is given, negotiations shall begin no later than thirty (30) days prior to the expiration of this Agreement.
